### Performance Opportunities:

- **2 Studio Recitals, in November and April.** Participation is *strongly* encouraged. Performing in recitals allows students to set and achieve goals, polish pieces to performance level, and improve their skills of concentration, memory, and managing nervousness. All students benefit from playing in recitals, whether they are aspiring performers or not.
- **The Music Development Program** examinations are held in December and May each year. Please ask your teacher for more information.
- **The Auditions Festival** is held at CCM mid-March. Students perform one piece from memory for evaluation and score from a judge.

### Recital Dress code:

Recitals are formal events; please dress for a *special occasion*.

- Dress/ dress pants/ skirts and blouses, dress shoes for **girls**.
- Dress pants, dress shirts, and dress shoes for **boys**.
- **T-shirts, shorts, jeans, and flip-flops are not appropriate.**

### Piano or Digital Piano:

For proper technical development, students must be playing a full-scale keyboard (88 keys) on either an acoustic piano or a digital piano, which has a weighted-action. Use of other types of electronic keyboards severely compromises the student's development of finger strength, spatial awareness of intervals, keyboard touch, and use of pedals.

### Events:

Performance opportunities are suggested for students on an individual basis each year. Entry fees for events usually range between \$20–\$100. *All material and event fees are subject to parental approval.*

### Piano Tuning and Maintenance:

Regular Piano tuning and maintenance is essential to a student's aural and technical development. Home piano should be tuned a minimum of every six months.

### Lesson Preparedness:

Students' fingernails *must* be trimmed short to play the piano with a proper curved finger position. Students should trim their nails weekly. Nail clippers are kept in the studio, and used when necessary.

### Vacation:

If you decide to take a month off from lessons, please be advised:

Lesson times cannot be held or guaranteed for any stoppage of lessons greater than 3 weeks

### Termination of Lessons:

Dismissal from the studio can occur from poor attendance, lack of preparation for lessons, behavioral problems, or non-payment of tuition or other expenses.

If a student decides to leave the studio, 30-day notice to the teacher is required.
